## The Importance of Killing

By DAN BURROS

The enemies of the white race would emasculate us by having us believe that our sound instincts are some horrible heresy called "racism", and any attempts of the white race to defend itself are called "murder" and "war crimes".

Let us cast aside notions that have been planted in our minds by a thorough system of brainwashing. Away with hypocrisies and lies! Let us face the truth!

Man is a killing organism! He must kill to survive. He must kill to advance.

Do these statements shock you? Let us examine the truth. When man first appeared on this earth, he killed initially for his food. He was faced with fearsome natural enemies. He slew these enemies to become the leading animal of the planet. Then civilization began to emerge. Did man stop killing then? No...quite the contrary. The best killer became master of the tribe. Not the wisest, nor necessarily the most strong, but the best killer became master. Other qualities were only important to the extent that it contributed to his killing prowess. The tribe that was most efficient at killing mastered others forming the great civilizations

## Cover Story: Persecution in Paris

The cover picture shows a Secret Army leader, Armand Belval (dressed in SAS Commando uniform) being led away by French police after his capture. Belval held off the police for more than four hours with a machine gun and grenades. He was felled by tear gas. Belval was also the leader in an attempt last September to bomb dictator De Gaulle's car. He is another example of courageous white men fighting tyranny.

A short while ago, Nina Khrushchev, the most hideous creature since Eleanor Roosevelt, delivered a message of "peace" to women of the world, and especially to American women. The theme of her message, which was delivered in English, was that "both our countries (the U.S.A. and the U.S.S.R.) should take all our weapons and throw them into the deepest part of the ocean." Below we present our interpretation of her message.

## Farewell to a Crucified Martyr?

# ADOLF EICHMANN

Adolf Eichmann is dead. Men are killed easily, but it is not so simple to murder the truth.

Let us examine the truth of the Eichmann case. SS Obersturmbannfuehrer Karl Adolf Eichmann was kidnapped by Israeli Secret Police (Shin Bet), contrary to international law. He was placed on trial by a state which had no jurisdiction, and tried under a law which was not even written at the time of his alleged "crimes".

Even had Eichmann been "guilty", the behavior of his captors would have been highly irregular, but the tragic fact is... Eichmann was innocent! He did not kill 6 million Jews! He did not kill 600 Jews! He did not kill 6 Jews, nor did he kill one Jew! Not a single Jew was harmed by Nazi Germany. Certainly Jews were killed by the war. People of many nations fell in WWII. The few Jews who were killed in the war were legitimate war fatalities, like the casualties of other nations.

Eichmann was a small clerk in the German government. One of his administrative duties was working out a plan for Jewish migration to the Isle of Madagascar. If the Germans did not choose to encourage Jewish settlement in Germany and wished to encourage Jewish emigration, this is totally a German matter. This constitutes German internal affairs and was not the concern of foreign nations. The Germans are a soft and sentimental people and are incapable of mass murder.

Why then, the myth of the 6 million? This myth was propagated by the enemies of the white race, to discredit Germany, (which at the time had the leadership of the white race), and to discredit white racial movements in general.

The world had begun, however, to forget the 6 million fable. It was necessary for the conspirators to "remind" the world. How convenient it was to suddenly

Communism Must Perish!

The American National Party Advocates:

1. The restoration of the Authoritarian Republic that the Founders of our great nation intended. Since the year 1914, the United States has been led down the path to material disaster and ruin by the plotters of pseudo "Democracy" and "Liberalism". The American National Party rejects these false concepts. The American National Party intends to restore the Republic to its former strength and grandeur.

2. The recognition of the importance of race in the history of nations and civilization may survive and not perish as other great civilizations before it; and, realizing that the White people alone have been responsible for all superior cultures, and that without the White race to maintain and propagate themselves, our civilization will disappear; we advocate the complete geographical separation of White and non-white people of America. Segregation is not enough. As long as there exists white and black men in one society, there will be constant tension and conflict with resulting racial chaos. Placing white men on one side of the street and black men on the other side is not an adequate solution to the race problem.

At present, the emigration of non-whites from our society and civilization to an area in Africa appears to be the best solution. However, a more efficient solution on the black question may be found.

3. The protection of private property and free enterprise: The protection of property is the basis of civilization. We believe that free enterprise is essential to a healthy state, and that all men are entitled to the fruits of their contributions.

4. Abolition of the 16th Amendment to the Constitution (Federal Income Tax Law). The graduated Income Tax Law is a socialist measure which stifles and penalizes the most productive workers of civilization. American working people should not be penalized for earning a living, being creative and productive.

5. Repeal of the United Nations Treaty and the withdrawal of the United States from the United Nations: Our Nation cannot surrender its hard won liberties and freedoms to an alien body. The United Nations was founded by pro-Communists to advance a Communistic one-worldism. Ever since its inception, the United Nations has served the cause of Communism. The U.N. failed to aid the Hungarian Freedom Fighters in their struggle against Communism; yet the U.N. aided pro-Communist Congo to destroy Katanga which is anti-Communist. The U.N. failed to prevent Nehru of India from aggression against Goa; and so the record goes. The United Nations with its democratic methods is allowing dozens of newly formed African states to join with a vote equal to that of the U.S. The white nations of the U.N. are numerically inferior to the myriad of black and colored nations and therefore must subject their will to a non-white majority.

# OAS Obliterates Enemies of the White People

History will remember the battle of Algeria. Thousands of white men and women gave their lives to prevent a Red take-over of their land and homes. The French people who built a thriving civilization out of the desert were sold out by their own government in Paris. Under the "leadership" of the dictator De Gaulle, Algeria was virtually handed over to a Red gang of black criminals, the FLN (National Liberation Front) which murdered thousands of white people.

In desperation, the French people of Algeria formed the Secret Army Organization to protect and defend themselves. They fought a brave battle, until the very end. They proved that the white man's will to survive is still alive. And they showed the world what a small but determined army of white warriors can accomplish.

## OAS Hero

## THE AMERICAN NATIONAL PARTY OPPOSED

1. Communism: Communism is the organized revolt of inferior men against white civilization. With its false and destructive doctrines of "democracy" and "equality", Communism attacks and destroys the racial fibre of civilization.

2. Socialism: Socialism is less violent half-brother of Communism. It seeks the same destructive aims that Communism seeks, by a much slower process.

3. Foreign Aid: The United States cannot buy friends, nor can we continue to pour out our nation's life blood. In time of trial we can only trust in our own arms. Fair weatherfriends and "neutrals" will disappear with lightning speed at the approach of peril. We must have the strength to

annihilate any combination of enemies. "Billions for defense, but not one cent for tribute!" American citizens should come first. We must stop the flow of millions of American dollars to ungrateful and pro-Communist nations.

4. Treason to the United States in any form: We propose the outlawing of the Communist party. Communist traitors should be put to death. Those who give aid and comfort to the Red enemy shall not escape our righteous wrath. America must be cleansed by a bloodbath of its internal enemies!

## Moscow Reds Cry: "OUTLAW WAR PROPAGANDA"

• In Geneva last month, the Soviet delegate to the disarmament talks urged all nations in attendance to do all within their power to outlaw "war" propaganda in their respective countries.

A week before this announcement was made, the American National Party saw to it that the Soviet delegation was swamped with our now famous "war" leaflets, which call for an all out war on Communism. This action so enraged the Red swine that they made a demand that the publication of "war" propaganda be punished as a "capital offense" in all nations.

## WHITE MAN'S HISTORY: 21 yrs ago

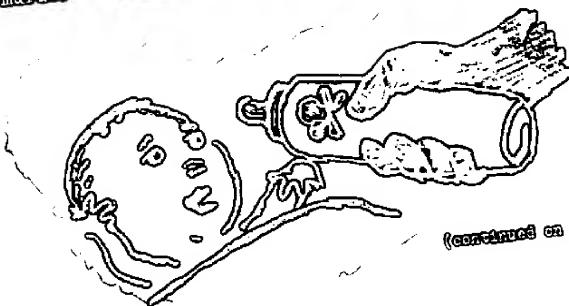

We salute the gallant men of the Blue Division who fought against Communism for western civilization in Russia. These brave volunteers from Franco Spain fought against the Reds who had once attempted to capture their country during the bloody Spanish Civil War. Capt General A. Muñoz Grandes, who had commanded the Blue Division in WW2, has been chosen to succeed Generalísimo Franco as Spain's future head of state.

Nigger Nurse Set Free!

## Term Murder of Six Infants: "Accidental"

Several months ago, in New York Binghamton Hospital, six newborn infants were fed their regular formula of sugar water. Only this time, some one had substituted salt for the sugar. Immediately after, the babies began to have difficulties. Their tender little bodies were unable to digest the huge amount of salt and they began to die. It was then discovered that salt had been placed into the tin can used to store the sugar. This became known when a nurse sugared her coffee from the sugar can and noticed it tasted salty. But it was too late....six babies had died from salt poisoning.

White mothers and fathers can do nothing now but weep. Their little new born babies are dead. The victims of negligence and incompetency....the officials call it "accidental"...."Xahl" calls it murder! The incompetent nigger nurse who "was suspended after the salt deaths of the little children is now being considered for reinstatement in Binghamton Hospital where the murders occurred. Nothing else will be done about the murder of those innocent and defenseless babies.

(continued on next page)

### Nigger Nurse (Continued)

This is but another example of nigger incompetency. "Training" half-apes to care for children is a crime. Our hospitals are full of such incompetent, unreliable scum. Our medical institutions are overwhelmed by nigger "help". When will we wake up and stop trusting the protection and the well being of our children to niggers.

BULLETIN The nigger nurse, Minnie Mae Colvin, who was suspended after the salt deaths of the six infants has now been reinstated and will receive back pay for the time she was on suspension. Is this justice? If the nurse was white, instead of black, she would have gotten the chair.

### More Anti-White Voters

## Half Breed Immigrants on the March in N.Y.

Over a hundred thousand Puerto Ricans marched in the first New York Puerto Rican Day Parade. The theme of the parade was "register and vote". Even though these foreign speaking, near illiterate Puerto Ricans form only a very small percentage of the New York population, they will be able to elect their people to office because they are organized!

The white people, who can easily out-vote the spicks, are too "busy" and apathetic to bother to register and vote. Whites are divided into two different parties, the Republicans and Democrats, who vote against each other at the polls. Whites are not organized to vote one way for the right thing, and thus the spicks and other non-whites are able to concentrate their vote in one direction to elect their man who will work for their benefit and against the benefit of the white people who are in the majority.

Was Divorced and Remarried?  
**Is Kennedy Anti-Catholic?**

Millions of Americans think of President Kennedy as a devoted Catholic and church man. "K&H" magazine now discloses the sensational facts which have been held from the public because it would mean the ex-communication of the president from the Catholic church if these facts became widely known.

Below we reproduce a photostatic copy of a page from "The Blauvelt Family Genealogy" Library of Congress catalog card No. 56-10936, which clearly shows that President Kennedy was previously married and divorced before he married his present wife, Jacqueline!!

Why has this information been hidden? Why hasn't again after divorce, contrary to Catholic law? If Catholics knew of these startling facts, Kennedy would not have gotten their votes.

# Niggers, Yes! America, No?

American industry is screaming for engineers. Schools are in need of teachers. All over America, educated and skilled people are needed. While our nation suffers because of this lack of skilled people, the "peace corps" drains our nation of such people and ships them off to some foreign rat hole, (usually a nigger country in Africa) where their skills are put to use to benefit black savages who hate us and wouldn't lift a finger to help us should we ever need them. Lots of Americans can be helped with the millions that are now being wasted by the "peace corps". America first! Niggers last!!

## Is Kennedy Anti-Catholic? (Continued)

Another interesting fact, that the people have forgotten, occurred on Kennedy's inauguration. Kennedy was taking his oath of office and his hand "slipped" off the bible. When asked about this later on, Kennedy stated: "It wasn't important that my hand wasn't on the bible...the important thing was taking the oath." This indeed, is strange behavior for a "religious" man.

## Death to Traitors!

Party members picket against the Committee to Free Morton Sobell outside the Belmont Plaza Hotel. Sobell is a convicted Red spy. ANP members demanded his execution.

## The Importance of Killing (Continued)

When a killer tribe became soft and forsook killing, they were overwhelmed by more virile killing societies.

The enemies of the white race have been trying to destroy it, by weakening the white man's will to fight, (which of course means to kill). Let us rip aside this veil of lies and hypocrisy.

The white man became master of this planet through killing. His mastery has now been challenged. To this challenge there is but one answer...to become master he has to kill! To survive and remain master, he must kill again. Let us show them who is the natural elite...who is the world's greatest killer!

White man! Unsheathe your terrible sword! Slay your enemies...Kill! Kill! Kill!

Now of course we do not advocate any white man go into the street with rifle or knife seeking enemies. At this time, this is a trifle impractical. The white man must organize! Only in unified action is there strength

White men! The American National Party offers you the leadership and organization you need. Join us, and regain your rightful birthright. We will build a mound of great future. Only through organization and attainment of political power, can the traitors be annihilated on a grand legal scale.

The American National Party will lead the white race to regain its rightful place as nature's elite and master of the world.

The American National Party Advocates:

1. The restoration of the Authoritarian Republic that the Founders of our great nation intended. Since the year 1913, the United States has been led down the path to national disaster and ruin by the plod-pipers of pseudo "Democracy" and "Liberalism." The American National Party rejects these false concepts. The American National Party intends to restore the republic to its former strength and grandeur.

2. The recognition of the importance of race in the history of nations and civilization may survive and not perish as other great civilizations before it; and, realizing that the White people alone have been responsible for all superior cultures, and that without the White race to maintain and propagate themselves, our civilization will disappear; we advocate the complete geographical separation of White and non-white people of America. Segregation is not enough. As long as there exists white and black men in one society, there will be constant tension and conflict with resulting racial chaos. Placing white men on one side of the street and black men on the other side is not an adequate solution to the race problem.

At present, the emigration of non-whites from our society and civilization to an area in Africa, appears to be the best solution. However, a more efficient solution on the black question may be found.

3. The protection of private property and free enterprise: The protection of property is the basis of civilization. We believe that free enterprise is essential to a healthy state, and that all men are entitled to the fruits of their contributions.

4. Abolition of the 16th Amendment to the Constitution (Federal Income Tax Law): The graduated Income Tax Law is a socialistic measure which stifles and penalizes the most productive workers of civilization. American working people should not be penalized for earning a living, being creative and productive.

5. Repeal of the United Nations Treaty and the withdrawal of the United States from the United Nations: Our Nation cannot surrender its hard won liberties and freedoms to an alien body. The United Nations was founded by pro-Communists to advance a Communistic one-worldism. Ever since its inception, the United Nations has served the cause of Communism. The U.N. failed to aid the Hungarian Freedom Fighters in their struggle against Communism; yet, the U.N. aided pro-Communist Congo to destroy Katanga which is anti-Communist; The U.N. failed to prevent Nehru of India from aggression against Goa; and so the record goes. The United Nations with its democratic methods is allowing dozens of newly formed African states to join with a vote equal to that of the U.S. The white nations of the U.N. are numerically inferior to the myriad of black and colored nations and therefore must subject their will to a non-white majority.

# OAS Obliterates Enemies of the White People

History will remember the battle of Algeria. Thousands of white men and women gave their lives to prevent a Red take-over of their land and homes. The French people who built a thriving civilization out of the desert were sold out by their own government in Paris. Under the "leadership" of the dictator De Gaulle, Algeria was virtually handed over to a Red gang of black criminals, the FLN (National Liberation Front) which murdered thousands of white people.

In desperation, the French people of Algeria formed the Secret Army Organization to protect and defend themselves. They fought a brave battle, until the very end. They proved that the white man's will to survive is still alive. And they showed the world what a small but determined army of white warriors can accomplish.

## OAS Hero

Marching in Paris parade in more peaceful days is Col. Yves Godard. The rugged rebel is now in hiding.

## AMERICAN NATIONAL PARTY

Continued

### THE AMERICAN NATIONAL PARTY OPPOSED:

1. Communism: Communism is the organized revolt of inferior men against white civilization. With its false and destructive doctrines of "democracy" and "equality", Communism attacks and destroys the racial fibre of civilization.
2. Socialism: Socialism is less violent half-brother of Communism. It seeks the same destructive aims that Communism seeks, by a much slower process.
3. Foreign Aid: The United States cannot buy friends, nor can we continue to pour out our nation's life blood. In time of trial we can only trust in our own arms. Fair weatherfriends and "neutrals" will disappear with lightning speed at the approach of peril. We must have the strength to annihilate any combination of enemies. "Billions for defense, but not one cent for tribute." American citizens should come first. We must stop the flow of millions of American dollars to ungrateful and pro-Communist nations.
4. Treason to the United States in any form: We propose the outlawing of the Communist party. Communist traitors should be put to death. Those who give aid and comfort to the Red enemy shall not escape our righteous wrath. America must be cleansed by a bloodbath of its internal enemies!

### Moscow Reds Cry:

## "OUTLAW WAR PROPAGANDA"

• In Geneva last month, the Soviet delegate to the disarmament talks urged all nations in attendance to do all within their power to outlaw "war" propaganda in their respective countries.

A week before this announcement was made, the American National Party saw to it that the Soviet delegation was swamped with our now famous "war" leaflets, which call for an all out war on Communism. This action so enraged the Red swine that they made a demand that the publication of "war" propaganda be punished as a "capital offense" in all nations.

## WHITE MAN'S HISTORY: 21 yrs ago

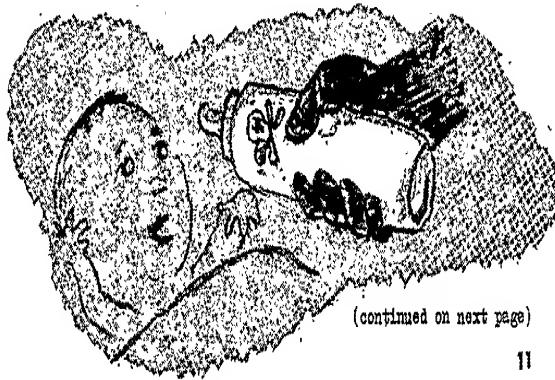

### Nigger Nurse Set Free!

## Term Murder of Six Infants: "Accidental"

Several months ago, in New York Binghamton Hospital, six newborn infants were fed their regular formula of sugar water. Only this time, some one had substituted salt for the sugar. Immediately after, the babies began to have difficulties. Their tender little bodies were unable to digest the huge amount of salt and they began to die. It was then discovered that salt had been placed into the tin can used to store the sugar. This became known when a nurse sugared her coffee from the sugar can and noticed it tasted salty. But it was too late....six babies had died from salt poisoning.

White mothers and fathers can do nothing now but weep. Their little new born babies are dead. The victims of negligence and incompetency....the officials call it "accidental"...."Kill!" calls it murder! The incompetent nigger nurse who was suspended after the salt deaths of the little children is now being considered for reinstatement in Binghamton Hospital where the murders occurred. Nothing else will be done about the murder of those innocent and defenseless babies.

(continued on next page)

We salute the gallant men of the Blue Division who fought against Communism for western civilization in Russia. These brave volunteers from Franco Spain fought against the Reds who had once attempted to capture their country during the bloody Spanish Civil War. Capt General A. Munoz Grandes, who had commanded the Blue Division in WW2, has been chosen to succeed Generalissimo Franco as Spain's future head of state.

## Nigger Nurse (Continued)

This is but another example of nigger incompetency. "Training" half - apes to care for children is a crime. Our hospitals are full of such incompetent, unreliable scum. Our medical institutions are overwhelmed by nigger "help". When will we wake up and stop trusting the protection and the well being of our children to niggers.

**BULLETIN!** The nigger nurse, Lillie Mae Colvin, who was suspended after the salt deaths of the six infants has now been reinstated and will receive back pay for the time she was on suspension. Is this justice? If the nurse was white, instead of black, she would have gotten the chair.

## More Anti-White Voters:

## Half Breed Immigrants on the March in N.Y.

Over a hundred thousand Puerto Ricans marched in the first New York Puerto Rican Day Parade. The theme of the parade was "register and vote". Even though these foreign speaking, near illiterate Puerto Ricans form only a very small percentage of the New York population, they will be able to elect their people to office because they are organized!

The white people, who can easily out-vote the spicks, are too "busy" and apathetic to bother to register and vote. Whites are divided into two different partys, the Republicans and Democrats, who vote against each other at the polls. Whites are not organized to vote one way for the right thing, and thus the spicks and other non-whites are able to concentrate their vote in one direction to elect their man who will work for their benefit and against the benefit of the white people who are in the majority.

## Was Divorced and Remarried:

## Is Kennedy Anti-Catholic?

Millions of Americans think of President Kennedy as a devoted Catholic and church man. "Kill!" magazine now discloses the sensational facts which have been held from the public because it would mean the ex-communication of the president from the Catholic church if these facts became widely known.

Below we reproduce a photostatic copy of a page from "The Blauvelt Family Genealogy" Library of Congress catalog card No. 56-10936, which clearly shows that president Kennedy was previously married and divorced before he married his present wife, Jacqueline!!

Why has this information been hidden? Why hasn't president Kennedy been ex-communicated, having married again after divorce, contrary to Catholic law? If Catholics knew of these startling facts, Kennedy would not have gotten their votes.

p. 884, Eleventh Generation (12,427):

"DURIE (Kerr) MALCOLM, (mother) Isabel O. Cooper, (no.) 11,304. We have no birth date. She was born Kerr, but took the name of her stepfather. She first married Firmin Desluge IV. They were divorced. Durie then married F. John Bersbach. They were divorced and she married third, John F. Kennedy, son of Joseph P. Kennedy, one time Ambassador to England."

## Niggers, Yes! America, No?

American industry is screaming for engineers. Schools are in need of teachers. All over America, educated and skilled people are needed. While our nation suffers because of this lack of skilled people, the "peace corps" drains our nation of such people and ships them off to some foreign rat hole, (usually a nigger country in Africa) where their skills are put to use to benefit black savages who hate us and wouldn't lift a finger to help us should we ever need them. Lots of Americans can be helped with the millions that are now being wasted by the "peace corps". America first! Niggers last!

### Is Kennedy Anti-Catholic? (Continued)

Another interesting fact, that the people have forgotten, occurred on Kennedy's inauguration. Kennedy was taking his oath of office and his hand "slipped" off the bible. When asked about this later on, Kennedy stated: "It wasn't important that my hand wasn't on the bible...the important thing was taking the oath." This indeed, is strange behavior for a "religious" man.

### Death to Traitors!

Party members picket against the Committee to Free Morton Sobell outside the Belmont Plaza Hotel. Sobell is a convicted Red spy. ANP members demanded his execution.

### The Importance of Killing (Continued)

When a killer tribe became soft and forsook killing, they were overwhelmed by more virile killing societies.

The enemies of the white race have been trying to destroy it, by weakening the white man's will to fight, (which of course means to kill). Let us rip aside this veil of lies and hypocrisy.

The white man became master of this planet through killing. His mastery has now been challenged. To this challenge there is but one answer...to become master he had to kill! To survive and remain master, he must kill again. Let us show them who is the natural elite...who is the world's greatest killer!

White man! Unsheathe your terrible sword! Slay your enemies...Kill! Kill! Kill!

Now of course we do not advocate any white man go into the street with rifle or knife seeking enemies. At this time, this is a trifle impractical. The white man must organize! Only in unified action is there strength

White men! The American National Party offers you the leadership and organization you need. Join us, and regain your rightful birthright. We will build a mound of corpses of traitors from which you can glimpse the great future. Only through organization and attainment of political power, can the traitors be annihilated on a grand legal scale.

The American National Party will lead the white race to regain its rightful place as nature's elite and master of the world.

Dear [Redacted]

The times was the only paper to carry the story on your trial. Enclosed is the clipping. They also mentioned you on the radio, but not for a whole day.

Write me and let me know how things are. Can you hear a radio or get newspapers? In case you can't, here is some important news. Several leaders of group in England received prison sentences. I don't know if [Redacted] himself was involved. I also don't know the duration of sentence, but since the term prison was used I assume it was long. An OAS killer team almost got deGaulle. Two teams of about ten men attacked him from the left and from the right. They opened up with machine guns at 50 yards. 150 rounds were fired but the pig was unhit. I think he must be indestructable. Well I guess the devil takes care of his own. Anyway it was great to see our boys in action again.

Ralph and some of the guys are going to picket the jail. I hope he makes out OK.

Drop me a line as soon as you can.

DEAR [REDACTED]

The sentence was rough, but we have to expect such things. I checked the papers on the night of the trial. I am sure you will see it will be in tomorrow's papers.

I talked with [REDACTED] tonight. I hope you will give your mother my regards. I am sure you are heading for real trouble. I think you are being very foolish. You have had news in jail. [REDACTED] can't worry too much about the newspaper. She is very concerned over lack of money and the way you treat her. She even called her a "whore" last night. Now this is terrible. You are probably a fat girl and you shouldn't treat her like dirt. You may be born [REDACTED] but I can tell you you are very lucky. Some of these fat girls are great but they won't take care of you like [REDACTED] does. All these fat prostitutes in is money and looks. They wouldn't give you a job. [REDACTED] notes is for you to treat her like a human being rather than a prostitute. I've wouldn't like to be treated like that. I think every fat prostitute girl is pretty low.

You probably are pretty sad at this letter, but I would like to see you being more responsible in several areas. You are headed for destruction.

Give my letter some thought.

Dear [Redacted]

We have received plenty of mail.

A picture of the picket was published on the front page of a Florida paper. It is not perfect but I think it is great. It shows the signs, armbands, banner and the line looks endless. The story was pro us. [Redacted] said we were on the radio in Alabama. Your hunger strike has gotten good publicity. Enclosed are two clippings but there are many more.

[Redacted] got two months for calling Jews "maggots" and is awaiting trial on more serious charges. He may have had it!

[Redacted] is all excited. He wants to come to N.Y. and work with us.

Try and write me so I know if you get my letters. We are all with you in spirit. You are doing a great job.

Dear [ ]

They mentioned you on the radio several times over the weekend.

I think they are trying to frame [redacted]. They claim they found bombs in his headquarters. Now I know he is not that stupid. Even if he were to make bombs (which I doubt) he would not be so dumb as to keep them where the police and Scotland Yard would be sure to find them.

OAS prisoners staged a mass breakout in southern France. The OAS is again inciting literature. They have sworn to put deGaulle to death. They say: "WE pledge he will be cut down like a mad dog!" It is good to see they have given up. ^

Just a few more days and you will be out. It will be good to see you again even though you had me pretty mad last week. Ralph will probably be there to pick you up on Friday. I hope you will be able to walk.

Dear [ ]

This is probably the last letter I will write you there. Letters seem to take 3 days to arrive so after this one you probably wouldn't receive it. I hope this one arrives in time.

There was no mention in the "Worker". A complete blackout. They mentioned Zuber but not us. Also nothing in the Jewish papers.

The Tacuara has been machine-gunning Jews in Argentina. They also showed one of their meetings on the television news. I sure wish you had published the article on them like I asked you. It would have been timely not months late like the rest of the news. That is another reason we should get "Kill!" out faster. This 8 months bit is just no good.

You were getting very good publicity for a while but it has died. I think we will get some more when you are released.

\_\_\_\_\_ liked your piece on \_\_\_\_\_ and asked for ten copies. It is too bad you won't be able to go to Ala. They seemed to be really looking forward to seeing you. I also was looking forward to seeing you in Arlington.

All letters must be written and answered in proper English language; must be limited to family, personal or business matters, and in no way allude to Officers, criminal matters or other inmates.

VISITING DAYS - EVERY TUESDAY AND SATURDAY  
HOURS: 8:30 A. M. to 11:30 A. M. and 1:30 P. M. to 3:30 P. M.

VISITORS

Normal visits are limited to members of the immediate family of the prisoner (such as father, mother, child, brother, sister, wife or husband). All others must have special permission from the Sheriff. The sheriff also reserves the right to refuse any visit to concern prisoners for specific reasons of security.

DEAR  - IMPORTANT: TELL THE BOYS NOT TO PICKET THE JAIL.

THE SHERIFF VISITED ME IN MY CELL THIS MORNING (MONDAY), AND TOLD ME THAT I WOULD BE RELEASED FRIDAY MORNING (ABOUT 8:30). HE ALSO MENTIONED RECEIVING A PHONE CALL FROM YOU. I'VE RECEIVED TWO MORE LETTERS, WITH NEWS CLIPPING, FROM  . I WAS VERY HAPPY ABOUT THIS, AND NOW FEEL A LITTLE "BAD" FOR BEING SO ANGRY OVER HIS FIRST LETTER. UNFORTUNATELY, I CANNOT WRITE TO  , SO I WOULD LIKE YOU TO TELL HIM A FEW THINGS FOR ME.

TELL HIM THAT IT IS OF THE UTMOST IMPORTANCE, FOR THE FUTURE SUCCESS OF OUR MOVEMENT, THAT WE RETAIN RESPECT FOR EACH OTHER, REGARDLESS OF "FAULTS" EACH OF US MAY FIND IN THE OTHER. WE MUST REALIZE THAT ALL OF US, THE LEADERSHIP, ARE YOUNG, HARDLY ANY OF US OVER 25, AND THAT WE ALL HAVE A GREAT DEAL TO LEARN AND A LONG WAY TO FULLY MATURE. IN ROCKWELL'S CASE, THERE'S WAS NO REAL EXCUSE FOR HIS ISMAMOID AND FAULTS... NOT IN HIS STAGE OF LIFE, ANYHOW!  MUST REALIZE - AND THERE IS NO REASON WHY HE SHOULDN'T, THAT I AM STILL RELATIVELY "YOUNG" AND INEXPERIENCED. I HAVE A LONG WAY TO GO BEFORE I CAN EQUAL OTHER GREAT LEADERS SUCH AS THOSE GIVEN TO THE WORLD BY GERMANY AND ITALY. MY PRESENT FAULTS AND "SHORT-COMINGS" MUST BE VIEWED IN THAT LIGHT. WHEN THE TIME

COMES FOR THE REALIZATION OF OUR MOVEMENT'S ULTIMATE AMBITION - I KNOW, WITH THE UTMOST CERTAINTY, THAT I WILL BE READY FOR THE TASK.  MUST ALSO REALIZE THAT I AM EXTREMELY SENSITIVE. PERHAPS I HAVE NOT OUTWARDLY SHOWN THIS IN THE PAST. I USUALLY KEEP SUCH FEELINGS, FOR THE MOST PART, FROM COMING TO

NO SURFACE. [REDACTED] I COULD SAY LESS, REMARKS I REALLY HAVE  
WOUNDED ME. I AM DEEPLY CONCERNED ABOUT THIS. I INTERPRET [REDACTED]  
LONG, ADMIRATION, RESPECT, LOYALTY AND FRIENDSHIP - BY HIS ACTIONS AND  
THE EXPRESSIONS HE DIRECTS TOWARDS ME. PERHAPS [REDACTED] DID NOT MEAN TO  
DEFEND ME - BUT BEFORE HE MADE SUCH REMARKS, HE SHOULD AT LEAST  
BE SURE THEY ARE NOT MISINTERPRETED. PLEASE CALL HIM, [REDACTED] AND  
READ THE ABOVE TO HIM, & - TELL HIM, FOR ME, FOR THE TWO  
WONDERFUL, MORALE LIFTING LETTERS AND NEWS CLIPPINGS, I READ EACH  
THING HE SENT OVER AND OVER. IT MAKES ME FEEL GREAT ALL OVER.  
NOW THAT EVERYTHING IS BACK TO NORMAL, I WOULD LIKE YOU TO  
HAVE RALPH, IF HE IS NOT WORKING, MEET ME EARLY FRIDAY MORNING  
AT HACKENSACK JAIL. I AM GOING TO BE RELEASED ABOUT 8AM.  
TELL HIM TO BE SURE TO HAVE A FEW DOLLARS WITH HIM. THE FIRST  
THING I AM GOING TO DO IS EAT!! ALSO, I'LL CALL YOU AND MEET  
YOU FOR LUNCH. IF RALPH ISN'T GOT A FEW DOLLARS, THAN GIVE  
HIM ABOUT THREE. NO MORE THAT'S ALL I WILL NEED TO EAT AND  
GET BACK - BUT I'M SURE RALPH CAN SPARE IT. I SAW THE DOCTOR TO-  
DAY. HE REPORTS I AM IN OCHEALTH - WITH SOME WEIGHT LOSS.  
MONDAY MORNING I WILL BE GOING FOR WORK. WEDNESDAY AFTER-  
NOON I WILL PICK UP A CHIEF FROM UNEMPLOYMENT, AND THAT OUGHT TO  
HELP A LITTLE. I HAVE A COPY OF THE TIMES, AND NOTICE SOME GOOD  
JOB OPPORTUNITIES RIGHT IN NEW JERSEY. WELL, ANYHOW I AM CERTAIN I WILL  
FIND A GOOD JOB BEFORE THE END OF THE WEEK. I CAN'T WAIT TO  
COME HOME TO YOU AND THE CHILDREN. IT FEELS LIKE MONTHS. I MISS  
YOU AND RALPH AND BUNNY SO MUCH. GETTING BACK TO FOOD...  
WHAT I WOULD REALLY LIKE FOR OUR FIRST SUPPER TOGETHER - THAT'S  
FRIDAY EVENING, IS SPAGHETTI AND MEATBALLS. MAKE SURE YOU GET  
THE THIN MEAT AND MAKE LOT OF MEATBALLS. I'LL BUY THE BREAD MY-  
SELF, DOWNTOWN, AFTER I LEAVE [REDACTED] FOR LUNCH. ALSO - LETS HAVE A  
BIG SALAD - WITH OLIVES. MAKE SURE THERE'S PLENTY OF JUICE. I'LL  
NEED MUCH TO REPLENISH MY LOSS OF VITAMIN C WHILE ON THIS  
HUNGER STRIKE. I FEEL SO GOOD KNOWING THAT IN LESS  
THAN THREE DAYS - TODAY IS MONDAY, WE'LL ALL BE TOGETHER AGAIN.  
I HOPE, THAT IN FUTURE PRISON VISITS, I WILL NOT HAVE TO GO TO JAIL.  
IT'S SUCH A WASTE OF TIME, MONEY, ETC. I HOPE TO DEPEND ON VOLUNTEERS  
NEXT TIME. I CAN'T STAND BEING LOCKED UP AWAY FROM YOU!!

I AM EVENTUALLY GOING TO CALL YOU - TALKING ABOUT OUR VENTURE INTO  
ENGLEWOOD AND I AM GOING TO INCLUDE A LENGTHY SECTION ON YOU AND  
YOUR LOYALTY AND DEEDS TO ME & THE HARSHIPS YOU ENDURED AS  
A RESULT OF MY GOING TO JAIL, ETC. I'LL CLOSE FOR NOW, DARLING.  
I LOVE YOU AND THE CHILDREN WITH ALL MY HEART. IT WON'T  
BE LONG NOW... YOUR DEAR HUSBAND... FOREVER --

P.S. MAKE SURE RALPH BRINGS ALONG  
A BATCH OF THE Q. & A. LITERATURE.

ALSO, UNLESS YOU WANT TO WAIT UNTIL I GET OUT, MAIL THE PREMIUM FOR  
\$29 TO [REDACTED] AND TELL HIM WE ARE HARD PRESSED, ETC., & THAT WE WILL PAY HIM  
BACK. GET HIS ADDRESS FROM [REDACTED] PREMIUM IS IN DESK DRAWER - LEFT SIDE.  
DID YOU TRANSFER BLUE CROSS? SIGN R/I NAME TO LETTER TO [REDACTED] ALSO, HAVE [REDACTED]  
OR SOMEONE PICK UP THE JEWISH PAPERS FROM LAST WEEKS PLUS THE WORKER.
